

COFFEE MENU

JJ

Classic & Caramelized. Medium roasted for espresso or brewed coffee.

Named after JJ himself, Espresso JJ embodies our goal to roast coffees that are balanced and satisfying. Blended chiefly from Guatemalan and Colombian components, this medium-dark roast coffee has warm, toasty flavours of caramelized nuts and cocoa. Though espresso by name, it makes an excellent drip coffee that emphasizes body and sweetness.

EASTSIDE

Fruity & Complex. Medium roasted for espresso or brewed coffee.

Eastside celebrates the glorious diversity of specialty coffee by blending distinct flavours from opposite ends of the globe. Latin American and Ethiopian components provide a foundation of chocolate notes and fruit aromatics respectively. A medium-dark roast, Eastside highlights depth and complexity when brewed as drip coffee.

RAILTOWN

Dark & Smoky. Dark roasted for brewed coffee.

Railtown is the culmination of our charred lineage of West Coast wonders like Doppio Torrefatto and the legendary Caffè Inferno. This dark roast blend is chiefly a Latin American coffee that can withstand the heat. When nothing but bold and dark will do, drip Railtown.

DECAF

Sweet & Mellow. Medium roasted for espresso or brewed coffee.

A medium-dark roast coffee blend hailing from Latin America, sweet and mellow flavours predominate. It tastes equally delicious as espresso or drip coffee.
